CALIFORNIA ALTERNATE RATES FOR ENERGY (CARE)
DOMESTIC SERVICE - SINGLE FAMILY ACCOMMODATION

SPECIAL CONDITIONS (CONTINUED)

6. Baseline rates under this schedule are applicable only to separately metered residential usage. BVES may require the customer to complete and file with it an appropriate Declaration of Eligibility for California Alternate Rates for Energy (CARE) rates. The following quantities of electricity are to be billed at the rates for baseline usage:

	<u>BASELINE QUANTITIES (Per kWh Per Day)</u>	
	<u>Base Allowance (kWh)</u>	<u>All-Electric Allowance (kWh)</u>
Summer	10.52	10.52
Winter	10.52	29.13

7. All-electric allowances are available to those customers with presently installed electric heating as the primary heat source. Summer and winter seasons are defined in Special Condition 8.
8. Seasons are defined as follows: The summer season begins at 12:01 a.m. on May 1st and ends at 12:00 a.m. on November 1st of each year. The winter season begins at 12:01 a.m. on November 1st of each year and ends at 12:00 a.m. on May 1st of the following year. A pro-rata computation will be made for bills that cover the seasonal change if there is a different price for summer and winter use.
9. Supplemental Baseline Allowance - Life Support Devices: Eligible permanent residential customers may be allowed an additional baseline quantity of electricity in increments of 16.5 kWh per day if a member of the household regularly requires the use of life support equipment which utilizes mechanical or artificial means to sustain, restore, or supplant a vital function, or mechanical equipment which is relied upon for mobility both within and outside of buildings, or if a member of the household is paraplegic or quadriplegic or a member of the household has a compromised immune system, such as people living with AIDS. Eligible customers shall make application to BVES that use of an essential life-support device is required. BVES may additionally require that the customer provide BVES with a letter, acceptable to BVES, from a medical doctor or osteopath licensed to practice medicine in the State of California, describing the requirement of such life-support device. BVES may require a new or renewed application and/or certificate when needed in the opinion of BVES.
10. Commencement of Rate: Eligible customers shall be billed on this schedule commencing with the next regularly scheduled billing period that follows receipt of application by BVES.
11. Verification: Information provided by the applicant is subject to verification by BVES. Refusal or failure of a customer to provide documentation of eligibility acceptable to BVES, upon request by BVES, shall result in removal from this rate schedule.

SPECIAL CONDITIONS (CONTINUED)

12. Notice From Customer: It is the customer's responsibility to notify BVES if there is a change of eligibility status.
13. Rebilling: Customers may be re-billed for periods of ineligibility under the Applicable rate schedule.
14. Combined Rates: This schedule may not be combined with any other rate schedule, except for sub-metered multi-family rate schedules.
15. Direct Access Customers receive Delivery Service from BVES and purchase energy from an Energy Service Provider. Such a customer's bill is computed as the sum of the charges shown on page 1 except the "Supply" and "SupplyAdj" rate components shown in columns 4 & 5 are subtracted before the billing determinants are multiplied by the rate to compute the bill.
16. Residential California Climate Credit: A semi-annual credit from the State of California to fight climate change. This credit will be applied to each household billing statements of customers receiving service under this schedule at the time the California Climate Credit is disbursed. Any California Climate Credit not consumed in the billing period in which the credit is applied will roll over to each subsequent billing period until the credit is fully consumed.
