SUBJECT

Implementation of Revenue Requirement and Rate Change associated with Bear Valley Electric Service (BVES) general rate case, in accordance with Decision Nos. ("D") 10-03-016 and D. 09-10-028.

PURPOSE

The purpose of this Advice Letter is to implement and make effective the rates approved by the Commission in D. 09-10-028, which was issued on October 16, 2009. This Advice Letter is being filed in accordance with Ordering Paragraphs No. 2 and No. 3 in Decision No. 09-10-028. On March 11, 2010, the Commission issued D. 10-03-016 to address procedural mechanics and corrections associated with D.09-10-028.

BACKGROUND

On June 27, 2008 BVES filed Application (A.) 08-06-034, seeking approval for a rate increase. The application filing was noticed on the Commission Daily Calendar on July 16, 2008. On August 13, 2008 the City of Big Bear Lake (the City) filed a protest to the BVES application. On August 15, 2008, the Division of Ratepayer Advocates (DRA) sought and obtained permission to late-file a protest to the BVES application. On December 2, 2008 a public participation hearing was held in the City of Big Bear Lake. DRA and Snow Summit served testimony on January 9, 2009. Rebuttal testimony was served by BVES on January 30, 2009. Following the submission of testimony, the parties engaged in settlement negotiations via the Commission's Alternate Dispute Resolution (ADR) procedures. Evidentiary hearings were held from February 23 through February 27, 2009. After briefs were filed, DRA and BVES engaged in further settlement negotiations. A settlement conference was noticed and held on April 16, 2009. The resulting Settlement Agreement ("Settlement") was executed on May 12, 2009 and BVES and DRA filed a motion to approve the Settlement pursuant to Rule 12.1. On June 12, 2009, Snow Summit filed its opposition to the joint motion to approve the Settlement. On September 15, 2009, Administrative Law Judge Farrar issued a Proposed Decision approving the Settlement. On October 15, 2009, the Commission issued Decision No. 09-10-028 approving the Settlement Agreement between DRA and BVES and closed the proceeding. On March 11, 2010 the Commission issued Decision No. 10-03-016 granting petition to modify D.09-10-028.

The settling parties agreed to incremental revenue increases by changes in the base rates in the amount of \$5,500,000 for 2009, \$515,000 for 2010, \$209,000 for 2011 and \$168,000 for 2012. After taking into account a phase-in plan, the settling parties agreed to revenue requirements for BVES for test years 2009 through 2012 for \$17,023,300, \$18,292,400, \$18,841,200, and \$19,449,600, respectively. The percentage rate increases with phase in for the test years are 15.85%, 2.94%, 0.83% and 0.35%, respectively

Through this Advice Letter, GSWC is seeking to increase the adopted electric rate schedules for test year 2012 in Bear Valley Electric Service as authorized in Decision Nos. 09-10-028 and 10-03-016.

EFFECTIVE DATE

GSWC respectfully request this Advice Letter become effective 31 days after it is filed which is January 1, 2012, subject to the Energy Division determining that it is in compliance with Decision Nos. 09-10-028 and 10-03-016.

Ordering Paragraphs 2 and 3 state:

2. *The motion for approval of the settlement is granted.*
3. *The Golden State Water Company shall file a Tier 1 advice letter within 20 days of today's date with revised tariff schedules for its Bear Valley Electric Services Division. This filing shall comply with General Order 96-B. The revised tariff schedules shall be effective within five days of filing and will apply to services rendered on or after effective date.*
