SPECIAL SERVICE CHARGES

SPECIAL CONDITIONS (CONTINUED)

3. The turn-off notice charge may be charged whenever the utility is required to dispatch a serviceperson to hang a turn-off notice at a customer's premises for nonpayment.
4. Clean and Show is a temporary service (not to exceed three days) which may be used to allow the owner or landlord to prepare the premises for subsequent sale or rental. Dates for initiating and terminating the service shall be established at the time this service is requested. The rate requires that the customer give not less than 24 hours advance notice to the utility and includes one connection and one disconnection, which shall be performed during normal business hours. If less than 24 hours' notice is given to the utility, or if service is requested to begin the same day, after normal business hours or on weekends, then expedited service charges shall apply.
5. A late charge will be assessed for bills unpaid in excess of 45 days for all customers except those on the CARE program. This charge will accrue every 45 days the bill remains unpaid. For bill outstanding for more than 45 days, a charge of 1% per month will be assessed until payment is made. Interest charges will be added to the unpaid amount and must be paid before reconnection where service has been disconnected. (C)
